Education

GSSS Institute of Engineering and Technology for Women, Mysuru	2022–2026
Bachelor of Engineering (Honours) in Electronics and Communication Engineering	CGPA: 8.63/10
SVIC Jnanodaya PU College, Karnataka	2022
Pre-University Course (PUC)	Percentage: 82.6%
Marimallappa's High School, Karnataka	2020
SSLC (10th Standard)	Percentage: 85.76%

Internship

Full Stack Web Development Intern	Feb 2026–May 2026
PrishankSoft Pvt. Ltd.	Project: WriteHub Website
- Developed full-stack web features for the WriteHub platform. - Implemented and tested front-end and back-end modules. - Collaborated with developers to debug and improve application performance.	

Skills

Programming Languages: C, C++, Java, Python
Web Technologies: HTML, CSS, JavaScript, Full Stack Web Development
Tools: Vivado, Cadence Design Systems, Multisim, Microsoft Word, Excel, PowerPoint
Soft Skills: Teamwork, Communication, Problem Solving, Time Management

Projects

Smart Energy Meter with Tamper Detection (Major Project)	2025–2026
- Developed a smart energy meter for real-time voltage, current, and power monitoring. - Integrated Hall and Reed sensors for theft and tamper detection. - Implemented GSM-based alerts and LCD display for secure energy monitoring.	
WiFi Based Secure Wireless Communication Using RSA	2024
- Built a secure WiFi communication system using RSA public-key cryptography. - Implemented encryption, authentication, and data integrity for wireless transmission.	
Traffic Control System	2023
- Simulated an 8052 microcontroller-based traffic light control system using Multisim. - Programmed assembly language logic to automate red, yellow, and green signals.	

Publication

Intelligent Energy Meter System for Theft and Tamper Prevention,
EMIC 2026, Accepted for publication in IEEE Xplore.

Certifications

- AWS Academy Cloud Foundations
- AWS Academy Machine Learning Foundations
- Cisco Python Essentials
- NPTEL – Programming in Java

Achievements

- Recipient of the **Altium Global Scholarship** (2025).
- Recipient of the **Gita Chaitanya Merit Scholarship Award**.
- Presented a technical project at **WinTechCon 2025**.
